5 bed, 2 bath house that has been completely renovated from the replaced concrete basement floor, up to the new roof. The house was completely stripped down to the studs and re wired, re plumbed and properly insulated. New in 2023, roof, high efficiency furnace and ac, tankless water heater, electrical panel and concrete. The house has ceiling fans in every bedroom, living room and upstairs landing. The house is in a great neighborhood located close to parks, shopping, hospitals and great schools. The yard is landscaped with mature arborvites lining both sides for privacy and multiple tree including producing fruit trees. The back yard has a 16x20 garden ready for the upcoming planting season. Off street parking with a 2 car detached garage with additional storage and mezzanine.
