A lot of potential can be found in this historic old home situated on 3 acres of pure country living. 3 bedrooms, 1.5 baths, and possibly hardwood flooring under the carpets (surmised but not verified), and an eat-in kitchen with a pantry. Outside you will find a horse barn with enough stalls for three horses, a storage barn, and a garage. All three of these Morton buildings have concrete flooring. The home has a deep well water system, an LP tank, and septic system. Fiber optic internet makes sure you're connected. Just 4 miles south of Atkinson and I-80
