Newly remodeled single family home on a 1.17 acre lot in the country. This home features an open floor concept, a beautiful kitchen with exposed wood beams, and a charming view of the property's numerous apple, pear, and cherry trees. With a 1 car attached garage, that is not all this home has to offer. It also includes a large 36x45 shop, with concrete floors, electric, and water. All electrical, plumbing, and insulation were replaced in 2021, including washer and dryer hookups on the main level. All appliances stay with the home. Please inquire to have a showing today! This property is a one-of-a-kind find!
