This charming three-bedroom home offers 980 sq ft on the main level plus a partially finished basement. Updates include water-resistant Pergo flooring throughout, a fully gutted and remodeled bathroom, new kitchen backsplash and sink (2025), and a freshly finished basement.

The detached garage was upgraded in 2025 with new siding, a new roof, and a new overhead door. All appliances stay. The backyard is fenced, and the home sits in a quiet neighborhood just minutes from the bike path.
