This Condo is spacious, well cared for and is in a great location for shopping on Avenue of the Cities or John Deere Road. Hy-Vee, Jewel, Walgreens, Menards, and Black Hawk College all are less than a mile from the front door. This condo has 2 bedrooms on the main floor, the laundry is in the kitchen and it has room for a table and 6 chairs. The kitchen had a complete makeover in 2014 with all new appliances and cabinets. The gas fireplace has an automatic on-off remote thermostat for extra comfort and pleasure on those chilly fall or spring evenings. The full length deck is screened and has plastic inserts for the winter months that can be changed out in spring and winter. The basement is finished with a sink and countertop, cabinets for serving food and a spot for your refrigerator or freezer. All the replaced kitchen cabinets were reinstalled downstairs in the kitchen area of the family room and in the bedroom.
