Extraordinary home in an extraordinary location! Set between Geneseo Township and Colona, this home is tucked away on a quiet street surrounded by nature. The interior of the home is very bright and overlooks an incredible landscaped lot with beautiful, mature perennials and fruit trees. The walk-out basement leads to a patio that will have you imagine you're in Italy and once you are done eating your woodfired pizza from the built-in pizza oven, you'll have found your very own spot of heaven on Earth.
