The transformation extends through every room with new paint, trim, and interior doors throughout. All bedrooms have been thoughtfully redesigned with remodeled closets and custom shelving (2026), complemented by brand-new carpeting. Both the main living areas and the bathroom reflect contemporary tastes, including a new vanity, mirror, and designer lighting (2026). The exterior is equally impressive. Step through the easy-to-clean tilt-in windows to a level, landscaped yard featuring a brand-new deck (2026) and a private patio. With a new garage door and opener (2026), main-level laundry, and central A/C, this home offers a seamless blend of style and utility.
