Built in 1995, this well-maintained townhouse offers 2,024 square feet of comfortable living space with 2-3 bedrooms and 2.5 bathrooms. The home features a convenient main-level laundry, walk-in closet, and an eat-in kitchen with appliances included. Enjoy outdoor living on the deck, plus the privacy of a cul-de-sac location and a spacious two-car garage. Additional highlights include central HVAC and attractive vinyl siding with brick accents. Recent improvements include a newer roof, sump pump, gutter guards, security system, washer and dryer, garage door springs, carriage light, and a front steps guardrail—providing added value and peace of mind.
